

POL11a – Complaints Procedures for Service Users

Serendipity Healthcare Ltd
Unit 5 Millennium Way, Dunston, Chesterfield, Derbyshire, S41 8ND

1. Introduction

We always aim to provide a high standard of care in all our services.

Our Service Users' views are important to us and help to ensure our services are consistently meeting people's needs. If you are unhappy with any of our services, it is important that you let us know.

If a complaint alerts us to possible abuse or neglect, we will tell the Council's Adult Safeguarding Team. The Safeguarding Team will decide how to investigate and monitor outcomes.

2. Making a Suggestion

Often people feel more comfortable suggesting improvements than complaining formally. Suggestions can be made by anyone receiving services, or their friends/family.

To make a suggestion you can:

- Speak to the Manager or the office team on 01246 260843
- Email care@serendipityhealthcare.co.uk
- If the suggestion is something that Serendipity Healthcare Ltd as a company needs to consider you can send it to:

3. Making a Complaint

We aim to handle complaints quickly, effectively and in a fair and honest way. We take all complaints seriously and use valuable information from investigating to help us improve the service we provide. We treat all complaints in confidence.

Serendipity Healthcare Ltd assures Service Users and their families that it will not withdraw or reduce services because someone makes a complaint in good faith.

4. Who Can Complain?

Anyone affected by the way Serendipity Healthcare Ltd provides services can make a complaint. A representative can make a complaint for the affected person if they:

- Have passed away
- Cannot make a complaint themselves, or
- Have given consent for the representative to act on their behalf

If you are not happy about making a complaint yourself and you do not know someone who can talk or write to us on your behalf, we will be happy to find someone from an independent organisation to act as an advocate for you.

5. How You Can Make a Complaint

You can complain:

- In person
- By telephone
- Through a member of our staff
- Through an advocate or representative

Where someone complains verbally, we will make a written record and provide a copy of it within 3 working days

- By letter
- By email

6. Anonymous Complaints

We deal with anonymous complaints under the same procedure. However, it should be noted, if you provide contact details, we can update you on the outcome of our investigation.

7. Responsibility

The Registered Manager has overall responsibility for dealing with all complaints made about their service. We will provide as far as is reasonably practical:

- Any help you need to understand the complaints procedure
- Advice on where you may get that help
- Information about making a complaint in a way you can understand

8. How We Handle Complaints

The Registered Manager or Serendipity Healthcare Ltd may ask one of the management team to investigate the complaint. That person will have enough seniority and experience to deal with the issues raised by the complaint.

We will acknowledge a complaint within **3** working days and give you the name and contact details of the person investigating it.

We will keep you informed about the progress of the investigation. We aim to have all complaints finished within **28 working days** unless we agree a different time scale with you.

When we have finished investigating, we will write to you with:

- Details of the findings
- Any action we have taken
- Our proposals to resolve your complaint

9. Time Limits

You should complain as soon as you can after the date on which the event occurred or came to your notice. If you complain more than twelve months later, we may not be able to investigate properly.

However, we will consider whether you had a good reason for not making the complaint sooner and whether, despite the delay, it is still possible to investigate the complaint effectively and fairly.

10. Further Steps

At any stage during the process, if you are not happy with the way the service is dealing with your complaint you can contact the Register at:
